1. All employees of VEB Bergmann-Borsig, Berlin-Wilhelmsruh, who are West Berlin residents are to be dismissed by 1 April 1955. Some 70 persons will be affected by this measure, which will also be of great consequence to the enterprise itself because those to be dismissed are specially trained and experienced workers. Further dismissals are to be expected at all departments of the enterprise.
2. In February 1955, some 500 employees were dismissed by VEB Transformatorenwerk "Karl Liebknecht", Berlin-Oberschoeneweide.
